PART 11: COMMERCIAL REASONS FOR INCORPORATION

☐ **Risk Management**

By forming a legal entity for investment holding to own shares of other companies to avoid implications in the event of any legal actions being taken against any of my companies.

☐ **Evaluating Business Performance**

By maintaining a separate company from other business, I will be able to evaluate business performance more effectively and make important business decisions.

☐ **Estate and Succession Planning**

To allow me flexibility for estate and succession planning, to transfer, dispose of, or sell part of the shares.

PART 12: FEES

Incorporation Fee

SGD 900/- excluding Out of Pocket Expenses (OPEs) & Application of CorpPass

Secretarial Fee

SGD 800/- excluding Out of Pocket Expenses (OPEs)
